#### OUR HISTORY

In order to support our college students in their needs like Career Guidance, Mental Health, Physical wellbeing, Financial stability, inter college knowledge transfer & handling competitions some of us (Alumni, Alumnae) of IET have joined hands with EVOLVE NGO which is Trusted & Govt recognized for overall youth wellbeing. We come together every semester to do fundraiser for supporting their needs. You can also become generous to help juniors from your own college.

#### LAST YEAR(2021) STUDENTS TESTIMONIALS

##### ASHAKANT SAINI EC 2017-2021

Whenever I have financial issues, EVOLVE and my seniors had helped me a lot. Actually I belong to a very poor family background.....

So giving fees to my college, living outside and purchasing books, these were very difficult for me to manage. But when I came in touch with EVOLVE, they helped me a lot financially as well as emotionally. I am very much thankful to them and their supporting volunteers.

And now I am working in Wipro and planning to support many students of my college who are like me only.

## SURYA PRAKASH TIWARI EC 2018-2021 (LATERAL ENTRY)

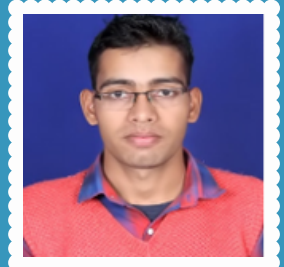

हेलो, मेरानाम सूर्य प्रकाश तिवारी है। मैंने अपना B. Tech पिछले वर्ष 2021 में पूर्ण किया। मेरी आर्थिक स्थिति ठीक न होना, इंटरमीडिएट के बाद मेरी पढ़ाई के लिए एक खाई जैसा था। लेकिन EVOLVE ने मेरा पूरा साथ दिया। मेरी पढ़ाई की फीस, रहने का, खाने – पीने का खर्च सबमें हमारी मदद की। यहां तककी किताब – कापी लेने में हमारी मदद की। मैं EVOLVE को तथा उन सभी को धन्यवाद देता हूं, जिन्होंने मेरी किसी भी तरह से मदद की।

धन्यवाद।
